DELIGHT

INTRODUCTION

Mindspring, founded in **September 2004**, is a mid-market firm comprising professionals with rich experience and core focus in the field of Corporate Finance & Management Consultancy.

Besides India, Mindspring forayed into international markets, first in the Middle East and later to clients originating from Europe and North America for inbound and outbound transactions and consulting.

END TO END BUSINESS SOLUTIONS

- ✓ We believe that our clients expect the financial advisor to assist them in appointing and coordinating with other advisors (e.g. legal, tax) in the course of an engagement.
- ✓ Through our close association with reputed law firms and experienced tax professionals, we offer such end-to-end solutions, whenever need arises.

INTERNATIONAL REACH

We have a network of International Partners for seamless advisory services between India and other geographies. Within India too, we work with local associates in various cities on a need basis in order to increase work efficiencies on projects.

PARTNER FIRMS

Our Langcliffe India practice, in collaboration with **Langcliffe International, UK**, offers a unique proposition to our acquisitive Indian clients in their quest to achieve a global footprint spanning Europe and North America.

Langcliffe International is Europe's largest deal origination platform, and together with Mindspring's full-service capabilities, helps in the inorganic global expansions of companies in India.

Mindspring is a Founder Member of **i-DealNet.com**, a network of international M&A firms with 10+ years of history of cooperation and success in delivering value to our clients.

KEY VALUE DIFFERENTIATORS

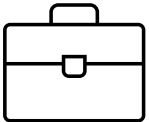

SENIOR RESOURCE INVOLVEMENT

Involvement of senior level resources throughout the engagement leads to an effective and efficient path towards deal closure.

PERSONALISED TOUCH, LONG TERM RELATIONSHIP

We are not plain “Deal Makers” but consider ourselves an extension of shareholders’ strategy team and an integral part of the company’s management team.

WHOLE GAMUT OF SERVICES

Besides the deal advisory process, we act as the single focal point for all constituents of the deal
If necessary, we can help appoint suitable advisors for tax and legal support on the project.
